

## **Facilitator Information**

Our site here at Twisted Roots Farm has the ability to host a variety of workshops, programs, and events in a nature-based setting. The workshop/event space, Butterfly Lodge, is a covered screened deck situated in the forest overlooking a brook. It is 28 by 24 feet, 670 square feet in size. The lodge is accessible by a forested trail that is a short walk from the parking area.

Butterfly Lodge is not available to be rented, but rather, we want to work with facilitators to host their offering. Most workshops/events will take place on the weekends, however, we are open to other days of the week if needed. We will market your workshop/event, take care of communication with participants, and process payments.

Maximum group sizes vary depending on the type of workshop or event being hosted. Yoga and other similar programs can host up to 10 participants. A sit-down style workshop can host up to 20 participants, depending on the offering. Performance events like small house concerts can host up to 30 people.

Other on-site amenities include a simple composting toilet that is located just outside of the lodge, as well as a number of trails that can be accessed during your workshop if that is a fit for your offering. Currently, Butterfly Lodge does not have power, but we can provide limited power if required. Please let us know if this is something that you will need.

### **Facilitation Fees**

Option A: Set the facilitation fee that you want to be paid for your workshop/event and the maximum number of participants that you can accommodate.

Option B: Set your fee based on a per person cost in order to cover your materials/supplies and then we will agree on a minimum number of participants required to run the workshop/event based on this fee structure. We will also need to know the maximum number of participants that you can accommodate.

Once you set your facilitation fee, we will determine the cost to attend as well as the minimum number of participants needed to run the workshop/event. We will then create a written contract for your workshop/event that both parties agree to. Facilitators will invoice us for their services, payable at the conclusion of the workshop/event.
